Creativity
Interest

Practical Section of Junior Certificate

Don't have to be able to play an instrument outside school.

St Kieran's College

APPLIED TECHNOLOGY

Element of Physics, Design, Drawing and Manual Skills
Creativity, precision – attention to detail
Programming
Project Work

St Kieran's College

BUSINESS STUDIES

Some value as foundation subject for
Accounting, Economics and Business
in Leaving Certificate

St Kieran's College

Although students will only study two banded subjects in 2nd and 3rd year, they are requested to select **three** subjects **in order of preference** from the list

St Kieran's College

The banding of subjects is dictated by the number of students interested in studying each subject and by resources available.

St Kieran's College

Band A	Business Studies A	Applied Technology	Graphics	Music
Band B	Business Studies B	Applied Technology B	Wood Technology	Visual Art

In this example there are 2 classes each in Business Studies and Applied Technology and one class in each of Graphics, Visual Art, Music and Wood Technology

St Kieran's College

Subject preferences may be submitted via Google
Form on or before 11th February

St Kieran's College

This presentation has been emailed to you this evening
