- History
- Geography
- Art
- Music
- Religious Education
- Physics
- Chemistry
- Biology
- Agricultural Science
- Construction Studies
- Engineering
- Technology
- Home Economics
- Design Communications Graphics
- Physical Education (LC Exam)
- Computer Science**

** We are in the process of applying to be included in the Phase 3 roll-out of this subject to schools nationally. If successful, then we will be in a position to offer it as an option for your son to study for his Leaving Certificate.

Although students will only study FOUR banded subjects to Leaving Cert, they are requested to select **six** subjects **in order of preference** from the list.

The number of classes in each subject is dictated by the number of students interested in studying each subject and by resources available to the school.

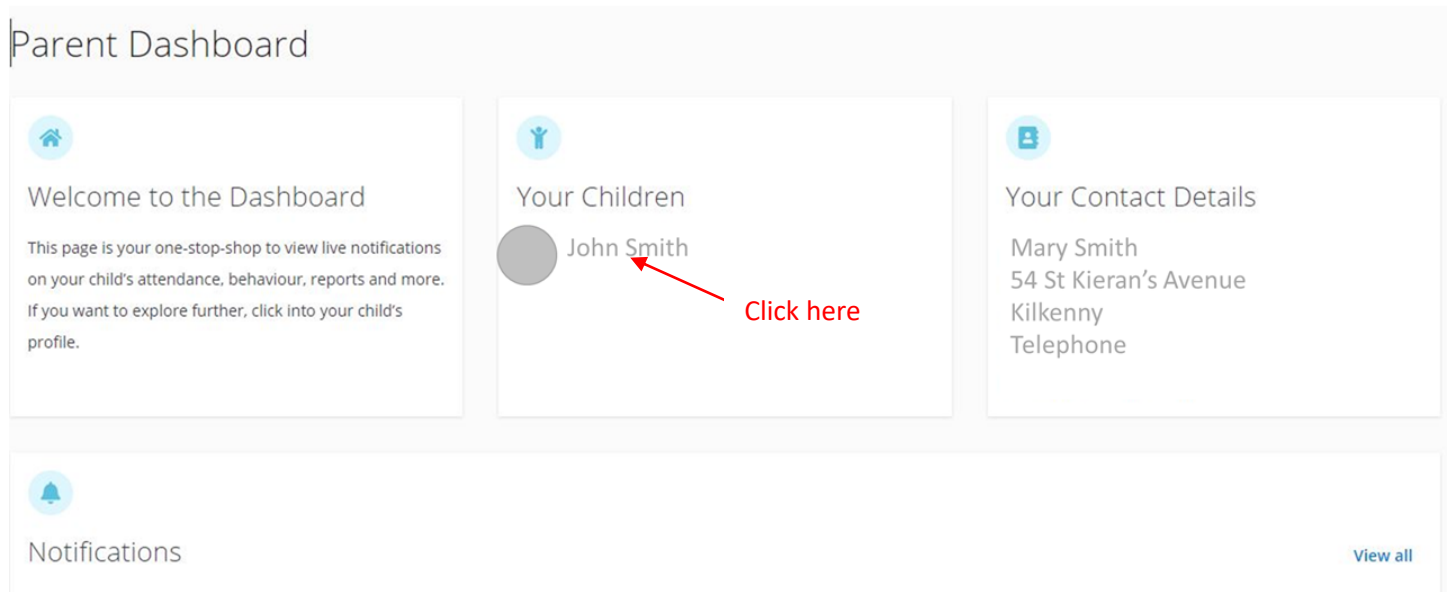

It will be impossible to satisfy every student's preferences but the aim will be to satisfy as many student preferences as possible and to be as fair as possible in that selection.

Student preferences may be entered on VSware app on or before Thursday 25th March 2021.

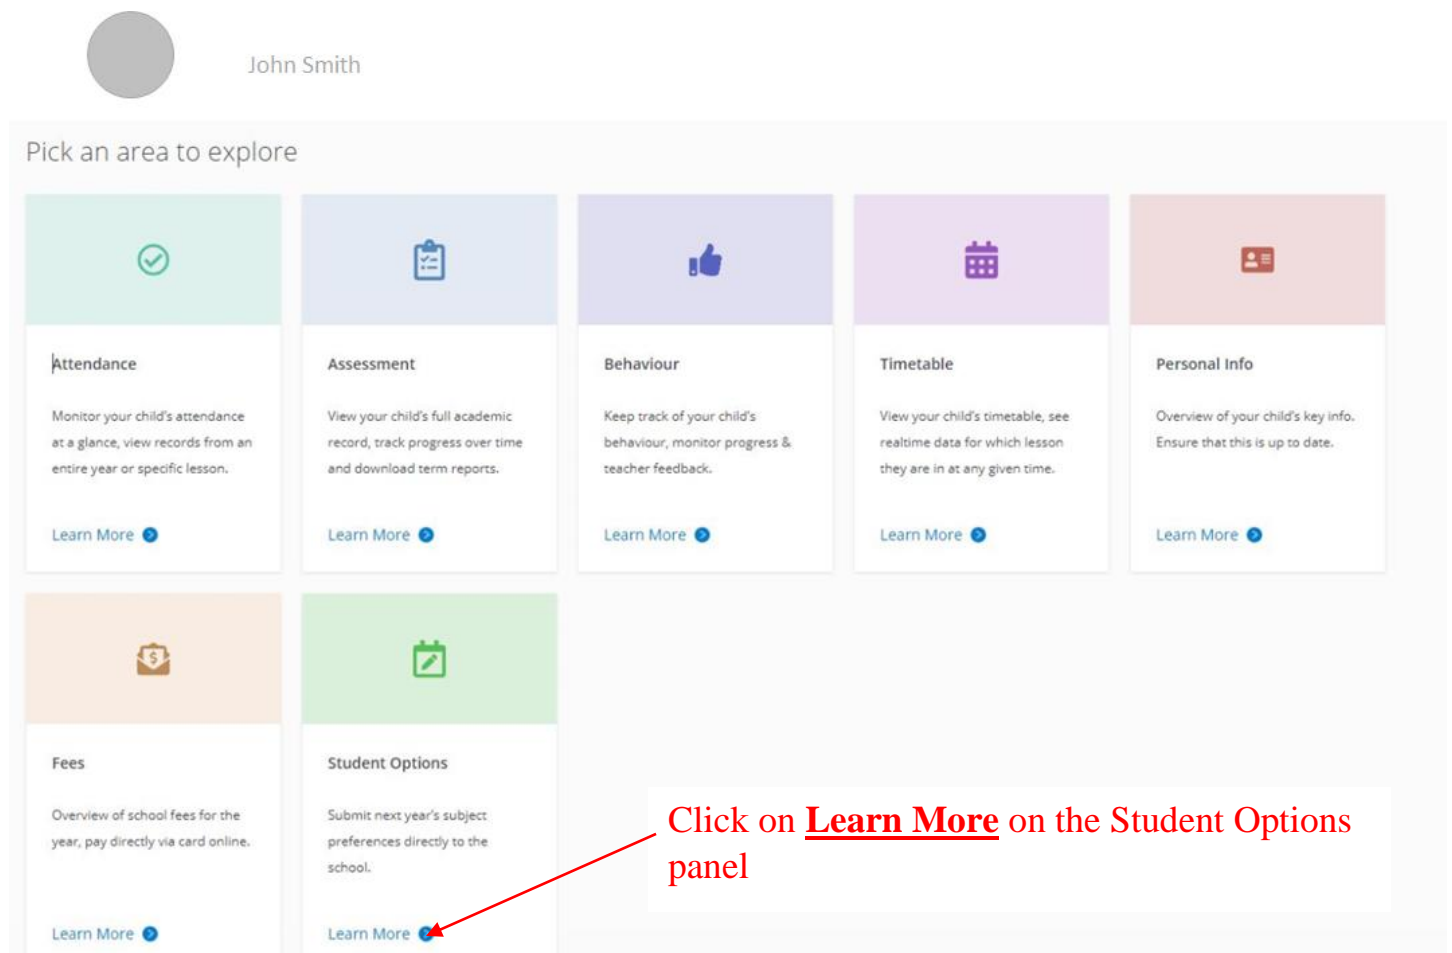

Please see next page for instructions on how to use the VSware App.

Instructions for entering student preferences on VSware App

Student Options

John Smith

Fifth Year students will study the core subjects Irish, English and Mathematics to Leaving Certificate Level together with four subjects chosen from the drop down menu below. While every effort will be made to accommodate your son's choice, you are requested to list six of these subjects in order of preference 1 to 6 . Please note that the order of preference does make a difference and No. 1 will be given priority over No. 2 etc.

On the table(s) below choose subjects in order of the highest priority of preference (1, 2, etc).

Closing date: 25/03/2021
